

**WE RECOGNIZE
VALUE!**

AN EFFECTIVE, QUICK and CONVENIENT
solution for selling corporate assets!

WHO ARE WE?

Intergavel Auction Organiser Ltd. has been appraising corporate assets and selling them at auctions since 2005. Our company is the regional partner of the Maynards Europe Auction House.

HOW CAN WE HELP?

There are a number of situations when company assets and equipment becomes unwanted and needs to be sold. An increasing number of companies are recognizing that in similar situations the best way to sell is through online auction. Intergavel offers a unique service so that you can enjoy the full benefits of this solution.

OUR RESULTS IN NUMBERS:

400
satisfied clients

Close to
900
successful auctions

More than
11 000
registered buyers

90-95%
of items are sold during
the first round

BENEFITS OF ONLINE AUCTION?

- ✓ Clear and transparent sales method, guaranteeing equal opportunities.
- ✓ Fast sales, immediate liquidity.
- ✓ Affordable, comfortable and safe solution for both parties.
- ✓ No need to search for customers, saves time and money.
- ✓ Growing number of registered bidders.
- ✓ Due to the large number of bidders higher sales prices.
- ✓ Fast and transparent income with accurate records.

← THE PROCESS OF AUCTION

“Despite the short deadline, Intergavel Kft. conducted the complete process successfully, with a high degree of organization, and not the least, significant financial results starting from evaluation, appraisal, through online marketing and auction and coordinated transportation to the precise financial closing of the transaction.

We can safely say that this sale, which at first appeared to be hopeless, turned into an unexpected success story, also from the financial point of view!”

– Philips Magyarország Kft.
